

**Humble Bundle (foolishly) presents the first ever
MAD Magazine Bundle!**

Over \$200 of magazines offered in support of Comic Book Legal Defense Fund

San Francisco, CA, August 31, 2016 – Against its better judgment, Humble Bundle is partnering with “The Usual Gang of Idiots” at MAD to create the first ever *MAD Magazine* Bundle.

The **Humble *MAD Magazine* Bundle** is an offer too silly to refuse!

For only \$1 or more, fans can expand their *MAD Magazine* libraries.... 35 ridiculous issues and a 1-year digital subscription are included in this bundle!

These magazines together usually cost as much as \$200. At Humble Bundle, though, customers choose their price!

As with all Humble Bundles, customers choose how their purchase dollars are allocated between the publisher and charity. The **Humble *Mad Magazine* Bundle** supports the **Comic Book Legal Defense Fund**; customers can also choose a favorite cause from our database of over 30,000 charities.

About Comic Book Legal Defense Fund

Comic Book Legal Defense Fund is a non-profit organization protecting the freedom to read comics! Our work protects readers, creators, librarians, retailers, publishers, and educators who face the threat of censorship. We monitor legislation and challenge laws that would limit the First Amendment. We create resources that promote understanding of comics and the rights our community is guaranteed. Every day we publish news and information about censorship events as they happen. We are partners in the Kids' Right to Read Project and Banned Books Week. Our expert legal team is available at a moment's notice to respond to First Amendment emergencies. CBLDF is a lean organization that works hard to protect the rights that our community depends on. Please support our important work! <http://cblddf.org>

About MAD Magazine

MAD Magazine is the best selling magazine in the world with that name. With its iconic gap-toothed idiot mascot, Alfred E. Neuman, disgracing the cover of each issue, MAD mercilessly mocks all that is mockable, which means pretty much everything, starting with itself. MAD promises its readers nothing and never fails to deliver.

About Humble Bundle

Humble Bundle sells digital content through its pay-what-you-want bundle promotions and the Humble Store. When purchasing a bundle, customers choose how much they want to pay and decide where their money goes -- between the content creators, charity, and Humble Bundle. Since the company's launch in 2010, Humble Bundle has raised more than \$75 million through the support of its community for a wide range of charities, providing aid for people across the world.
