

NEIL GAIMAN RARITIES RECEIVE HUMBLE BUNDLE

Humble Comics Bundle: Neil Gaiman Rarities collects priceless works never before collected digitally

San Francisco, Calif. - September 9, 2015 - Humble Bundle is teaming up with international bestselling author Neil Gaiman to make some of his rarest and most sought after works available digitally for the first time ever. The works featured here range from books published early in Gaiman's career turned collector's item, never collected works from anthologies, barely published books with small print runs, or never published at all. This includes short stories, essays, comics, music biography, poems, teleplays, prose fiction, and even lyrics and speeches. If it's in this bundle, chances are you've never read it.

Customers can name their price for ***Adventures in the Dream Trade*** (essays, poems, lyrics, and original AMERICAN GODS blog), ***Gods & Tulips*** (controversial 1993 speech, an essay on running signings, and a speech on comics), ***Free Speeches*** (speeches by Neil, Frank Miller, and others), ***Being An Account of the Life and Death of the Emperor Heliogabolous*** (24 hour comic, written & drawn by Neil Gaiman), and ***Angels & Visitations*** (first collection of prose fiction, nonfiction, and poetry).

Those who pay more than the average price will also receive ***Ghastly Beyond Belief*** (Neil's rare & never republished second book of oddball quotes), ***Day of the Dead*** (fully annotated *Babylon 5* script), ***An Honest Answer & Other Stories*** (collaboration with Bryan Talbot and Dave McKean), ***Feeders & Eaters & Other Stories*** (collaborations with Mark Buckingham, including a comic about Alan Moore), ***Sweeney Todd & Other Stories*** (Neil's lost, unfinished, never republished graphic novel with Michael Zulli), ***Neil Dreams*** (short comics of dreams, by and about Neil done by & with Rick Veitch), and the two controversial UK comics anthologies ***Outrageous Tales From The Old Testament***, and ***Seven Deadly Sins***, which also feature contributions from Alan Moore, Dave Gibbons, Dave McKean, Bryan Talbot and more!

Customers who pay above the average price by \$15 or more will receive all of the above plus ***Duran Duran*** (never before republished, rare debut book), ***Manuscript In A Milk Bottle*** (never before reprinted short story with brand new intro) ***Love, Fishie*** (poems by Neil & Maddy Gaiman, limited edition of 100), and ***A Little Gold Book of Ghastly Stuff*** out of print and collectible book of short fiction, essays, and poems -- many never before reprinted).

To check out the full bundle, head to: <https://www.humblebundle.com/books>

Even more rarities to be added mid-promotion on September 16.

As with all Humble Bundles, customers can choose how their purchase dollars are allocated, between the publisher and charity. Humble Comics Bundle: Neil Gaiman Rarities supports the **Comic Book Legal Defense Fund** and **The Moth Education Program**. All of Neil Gaiman's personal proceeds from this bundle will benefit **The Gaiman Foundation**, a private foundation that funds free speech, education, and civil rights charities.

Humble Comics Bundle: Neil Gaiman Rarities runs for two weeks and ends Wednesday, September 23, 2015 at 11 a.m. Pacific time.

About Humble Bundle

Humble Bundle sells digital content through its pay-what-you-want bundle promotions and the Humble Store. When purchasing a bundle, customers choose how much they want to pay and decide where their money goes -- between the content creators, charity, and Humble Bundle. Since the company's launch in 2010, Humble Bundle has raised more than \$63 million through

the support of its community for a wide range of charities, providing aid for people across the world. For more information, please visit <https://www.humblebundle.com>

About CBLDF

Comic Book Legal Defense Fund is a non-profit organization that protects the freedom to read comics through legal action and education initiatives in support of the readers, creators, librarians, retailers, publishers, and educators of comics. <http://cbldf.org/>

About the Moth Education Program

The Moth Education Program builds communities of storytellers and story audiences through workshops, performances and innovative resources for young people and educators. <http://education.themoth.org/>
